General Office Information

With your permission, we may take x-rays and photographs to evaluate your dental health. Video and audio recording devices are used to monitor consultations and treatment to ensure a high quality experience for all of our patients. We will not share any of your personal information with anyone outside of this office without your consent.

Referral Rewards Program

The program is simple - for every referral you send to our office, we will give you a \$25 credit to your account. Make sure you get credit for everyone you refer! Credits are processed at the beginning of every month.

24-Hour Cancellation Policy

When we reserve time for your appointment, we make room in our schedule so we may devote our time and focus our efforts on serving your needs. Late cancellations mean we have empty time in our schedule when we could have been helping another patient. **There is a \$25 charge for reserved appointments broken or changed without 24 hours notice.**

Palliative Treatment on Emergency Visits

It is Dental Salon's policy to charge a minimum of \$50 for palliative treatment for emergency visits that require a prescription.

Financial Policy

You are responsible for the **total fee** for services performed at this office. Cash and all major credit cards are accepted as payment for services at Dental Salon. Checks are not accepted.

If you have insurance, we will provide an **estimate** of what we think your insurance company will **probably** pay and collect the difference from you at the time of service. If you want a more exact estimate, we will need to send a request for a **pre-treatment estimate** to your insurance company. This can take several weeks to be returned to us.

If you have insurance, we are obligated to bill your insurance for all procedures completed on your behalf. Cosmetic procedures may not be billed to insurance.

If the insurance company pays more than we expected, you will have a credit on your account. We will mail you a statement informing you of the credit. You can keep it on your account or we can refund it to you. All outstanding insurance claims must be received before we may issue any refunds.

If the insurance company pays less than we expected or not at all, **you are responsible** for the difference between what you have already paid and your total fee.

We will try to arrange payment from your insurance company for a maximum of 45 days. **After 45 days, you are responsible for any balance on your account, regardless of whether your insurance company has paid us or not.**

If we receive payment after 45 days from your insurance company, it will be applied to your account and you will receive a statement from us informing you of any credit generated by the payment.

After 75 days from the date of service, any unpaid balance will be turned over to a collection agency. This is our standard policy for all delinquent accounts. Once an account is sent to collections, you must pay the collection agency. You will no longer be able to pay us directly for the balance.

Stop! Do not sign this if you have any questions about the financial policies of our office. If you do have questions, ask one of our financial coordinators before signing.

In accordance with HIPAA, I agree to Dental Salon’s use and disclosure of my protected health information to my insurance company. I understand that my insurance company will send payment directly to Dental Salon unless prior arrangements have been made.

I understand and agree with the **Financial Policies** of Dental Salon.
