

*- congratulations on restoring the health of your tooth  
with root canal therapy! -*

---

**-WHEN AND WHAT CAN I EAT?**

-If there was anesthetic used during your procedure - please avoid chewing until the numb feeling has completely gone away.

**-CAN I BRUSH AND FLOSS?**

-see temporary restoration instructions attached

**-WHAT IF THERE IS DISCOMFORT?**

-You may experience some discomfort due to irritation to the area during the treatment procedure.

-If any medication was prescribed, take as directed.
